NOVEMBER 2026

LEARN.ME is the most important class you'll ever take. It's a behind-the-scenes tour of everything KEVIN.MURPHY, providing partners with a deeper understanding of the brand, Kevin Murphy the man, and what makes our products and culture unique. LEARN.ME can be adapted to meet your needs, taken in-person or digitally. We believe our products are deeply connected to our stories, culture, and history. Explore our regimens to simplify client conversations, foster problem-solving, and find the perfect cocktail options for each client.
