

KEVIN.MURPHY VIRTUAL.STAGE GREY.CODE

DECEMBER 2026

Discover the brilliance of colouring grey hair with CODE. This class equips colourists to adapt to changing client expectations and deliver personalised results. Learn to confidently work with our three grey coverage families and understand how each can achieve results from soft to bold. Topics include grey hair, consultation, working with resistant hair, lightening with grey, transitioning grey, managing warmth and troubleshooting.

RECOMMENDED FOR

Colourists who have completed DE.CODE and want to deepen their understanding and technique with CODE.
