The Japanese Head Spa Certification

10:00 am –5:00 pm

Monday, April 13

Hilton Garden Inn Boston-Burlington
5 Wheeler Rd. Burlington, MA. 01803

For Salon & Spa Professionals

Expanding Your Services

This in-depth session goes beyond the basics—equipping you with the skills, tools, and confidence to offer luxurious, results-driven Head Spa services that enhance client wellness and transforms your service menu. Whether you're looking to deepen client connection, increase revenue, or stand out with a high-demand service, this training will position you as a leader in holistic hair and scalp care.

- * Incorporate Japanese Head Spa services into your salon/spa
- * Capitalize on the popularity of this growing self-care trend
- * Explore transformative services for common scalp issues
- * Learn how your retail sales benefit from services
- * Understanding Head Spa equipment and tools

Event Tuition Includes

Awaken Head Spa

Certification Content

New England's most comprehensive Japanese Head Spa certification—giving you a complete, start-to-finish understanding of everything required to confidently offer Head Spa services behind the chair.

Head Spa Service Demonstration

Observe a Japanese Head Spa service, including consultation, scalp assessment, treatment flow, and massage techniques.

Understanding Equipment Needs

Explore the optimal equipment setup for your space and the essential tools that support a seamless service experience.

Offering Head Spa Services

Learn service structure, including scalp analysis, treatment options, fumigation, light therapy, and product selection.

Pricing, Timing & Marketing

Launch with a ready-to-use service menu featuring options customized for time, purpose, function, and cost.

The Awaken Scalp Facial Service

Master the key steps of this transformative service to effectively address clients' dry scalp and hair loss concerns.

Implementation & Support

Simplify your setup and implementation with our proprietary 50+ page Japanese Head Spa Manual—provided to attendees.
