IDEAL HYBRID WEFT CERTIFICATION

This comprehensive class is designed to guide Stylists through the Essential Techniques and Application Methods of Sew-In Weft Extensions.

During our Ideal Hybrid Weft Certification Class, attendees will learn how to install Hand-Tied Wefts, Machine-Sewn Wefts, and Ideal Hybrid Weft Extensions with confidence. This comprehensive training covers the fundamentals of application and removal, advanced techniques such as fully concealing the bead foundation for seamless results, and best practices for introducing extension services to your clients. We'll also cover proper aftercare, maintenance, and practical marketing strategies to help you successfully promote and grow extension services within your business. Limited to fifteen students.
