

creative content class

social media may not be for everyone, but there's no denying that it now plays a massive part in how we market our brands and ourselves. this look and learn is designed to help you become confident in content creation by taking you through how i go about social media for myself but also my salon, colouring and styling 2 live models, while creating video and taking scroll stopping images.

perfect shot

PRESENTED BY

bel mills, owner of
jacky boy salon
evo creative team
educator

TUITION

\$199 incl. swag bag + lunch
\$279 evo weekend pass*
*best value
incl. unplugged g.a. ticket

OUTCOMES

- * social media overview
- * what it's done for me and what I've learnt along the way
- * tips on what to capture and how to find your identity in this saturated market
- * how to simply create scroll stopping colour work by demonstrating 2 different looks on live models using hue-verse, staino and fab pro
- * styling hair for the gram and getting beautiful images of your work
